"We stand with the Supreme Servant, Minister Huey P. Newton, who is the Soul Servant of the People, both in actions and deeds. You are an outcast. So read and digest this article well. We're not going to do any talking to you if you come here. Don't get us wrong. We're not threatening you, only advising you of your rights. For one day you'll be coming back here and we who are definitely your peers will judge you. We know and understand you, for we are going through what you once did. And you can bet your life you'll be dealt with justly."
